AT THE 70th ANNIVERSARY
OF PROFESSOR DIMITRIE D. STANCU

On the occasion of the 70th anniversary of the birthday (February 11, 1997) of distinguished Romanian mathematician Professor Dr. Dr. h. c. DIMITRIE D. STANCU, his colleagues, students and friends, from Romanian and other countries around the world, join the members of his family, congratulating him enthusiastically with esteem for his nobility as a Master, for the dignity he has shown in serving the Mathematical Sciences, for his generosity, honestity and abnegation in training several generations of young mathematicians at the Faculty of Mathematics and Informatics, University Babeş-Bolyai, Cluj-Napoca, Romania.

May he be granted with many years to come, with an active life, health and happiness, with new satisfactions in his scientific research work.
